FOREST FIRE PREVENTION IS EVERYBODY'S BUSINESS

New Hampshire faces a continuing challenge in its forest fire problem — 97 percent of all our forest fires being man-caused and preventable — a serious indictment of interest in our own welfare and that of our neighbor. Both the State and the towns are striving diligently to effectively meet the challenge through education of the public to the threat fire presents to our woodlands; by maintaining a well trained corps of wardens and deputy wardens in every community and by providing ample opportunity for all who wish to dispose of unwanted waste materials. Careless and perverseness, however, continue to be the big hurdles.

Thoughtlessly discarded lighted cigars, cigarettes and matches from moving vehicles, by hikers, hunters and fishermen; careless burning of debris during hazardous periods in dangerous locations; illegal burning; improperly extinguished debris, camp and cook fires — all result in serious loss of property disruption of industry and farm work and unnecessary expenditure of town and state funds.

To meet the challenge successfully, the state, your community and your local forest fire warden need **your** thoughtful and cooperative effort — The rules are simple.

1. Don't burn at home — use your town dump and avoid all fire problems.
2. If you do burn, be sure to secure a written permit from your local forest fire warden when the ground is not covered with snow. Permits are required for open debris fires, home incinerators, outdoor fire places and camp fires. Your warden is instructed to permit burning if weather conditions, site and type of burning are safe.

3. Be sure that all lighted materials — cigars, cigarettes and matches — are completely out before discarding them. Use ash trays in automobiles.
4. Make certain that your debris, camp and cook fires are completely out before leaving them.
5. Insist that others be careful and comply with burning requirements.
6. Call the warden promptly when fire is detected and aid him to extinguish it.

REMEMBER — the fire you prevent might be the one which could burn **your** property.

REMEMBER — **Forest Fire Prevention is Everybody's Business and our Most Important Undertaking.**

REPORT OF THE TOWN PLANNING BOARD

The Town of Northfield Planning Board, after several years of quiet existence, has been very active during the latter part of the year 1957.

The Board held its first meeting of the year on September 2 and organized with Michael Buczynski as chairman and Wilbur Heath as secretary. Regular monthly meetings have been held since that date with 100% attendance at the majority of the meetings. Recognizing that town planning is a many-sided subject, the board moved slowly, but the members feel that real progress has been made. The New Hampshire Planning and Development Commission has been most helpful in furnishing advice and literature on the subject of town planning.

That the Board might be more fully informed and thereby better serve the community, two members, Chairman Buczynski and Mrs. Weldon Thompson, attended, at their own expense, a seminar on town planning. This course, which was held in Concord and was sponsored jointly by the University of New Hampshire, the New Hampshire Planning and Development Commission and the New Hampshire Planning and Zoning Association, presented lecturers and speakers, who are experts in the various aspects of town planning. The board members, who attended, found the meetings stimulating and feel that many of the ideas presented could well be applied to this community.

On November 7, the board held an open meeting at which Mr. Charles Crangle, of the New Hampshire Planning and Development Commission spoke to a small audience. Mr. Crangle drew from his broad experience as a town planner giving many helpful hints

on ways in which good planning could make Northfield a better town to live in. The board feels indebted to the New Hampshire Planning and Development Commission for the assistance and cooperation received.

During a discussion period which followed this meeting, the question of the location of the new limited access highway, which state and federal authorities are to build through the town was brought up. Some doubts and fears of the effects of such a highway were expressed and a resolution containing the sentiment of the meeting was prepared and presented to the State Department of Public Works and Highways. As a result the department suggested a meeting with the board and the selectmen at which any differences could be explained and ironed out. This meeting was held on December 30, at the office of the selectmen. Messrs. Whitaker, Chase, Brunel and Sleeper of the Department of Public Works and Highways were present. By means of maps, aerial photographs and verbal explanations, they set at rest many of the objections and misconceptions which had been expressed. The Planning Board appreciates very much courtesy and cooperation of the Department of Public Works and Highways in this matter. The Board feels that the building of this new highway will be of great benefit to the town but that it will also present many problems which can be solved only by good town planning.

As a beginning, the board is requesting that the town, at the annual meeting this year, appropriate funds for an existing land use study. Such a survey would provide the information necessary for planning the future growth and development of the town and for the extension of the existing services and utilities as needed. It would also provide a basis for the preparation of a zoning ordinance when such action becomes necessary.

The board, in closing, wishes to express their appreciation to the Board of Selectmen for their interest and cooperation.

TILTON-NORTHFIELD RECREATION COUNCIL

The existence of a Recreational Program in our communities can be directly traced to a request from young people in our towns that more constructive programs be available for leisure time activity. Many voters in Northfield will remember when two high school seniors appeared at town meeting and pointed to the limited opportunities for wholesome pursuits in our two towns.

Investigation showed that a vast majority of towns the size of ours were already providing constructive recreational programs and that many communities considerably smaller than ours were providing more recreational facilities for their youngsters than we were.

A review of two previous attempts to start recreational programs in Tilton-Northfield indicates they probably failed because of dependence on volunteer supervision and extremely limited activity. The present program was established under a paid supervisor and includes many more and different activities than in preceding attempts. We are now beginning our third year of existence.

It was felt that this program could best be started on a part-time basis. It was believed wise to ask for a minimum amount of financial support until the demands of a recreational program could be established and the potential of such a program could be thoroughly explored. The fact that the requested appropriation this year is larger than in the past two years indicates the belief of a majority that a much more effective program could be attained if the services of a full-time supervisor were made available for even more varied activities. The additional appropriation would be a major step toward the realization of the goal of a full-time recreational program for our communities.

A review of this past year's accomplishments indicates a greatly improved swimming program. The Recreation Council hired a school bus so that youngsters could be taken to Northfield Pond five days a week during the summer months. Previously there were only three days a week of swimming. This past year the Recreation Council paid for a Red Cross training course for our two water front supervisors so that these people were not only trained life savers but instructed the children in swimming and water safety.

Through the cooperation of the American Legion, which conducted the activity, a firearm safety program has been inaugurated. This has been greeted with the greatest enthusiasm on the part of the young people. The sizes of the groups have had to be limited because of the general appeal of this activity.

The Council has continued to support programs of little league baseball, boxing, badminton, shuffle board, ping pong, square dancing and social activities. Our impression is that these programs have operated more successfully than in the past. Our director, Kim Perkins seems to be showing an ever growing ability to work with youngsters.

An anticipated winter of skating has not materialized as of the first part of February because of unfavorable ice conditions. Arrangements are now being made for week end skiing on some of our local slopes.

With the interest and support of the people of our communities our recreation program can not only continue but can be developed into a constructive experience for our young people.

ANNUAL REPORT OF THE DISTRICT NURSING ASSOCIATION

Fiscal Year January 1, 1957 to December 31, 1957

During this period the District Nurse cared for the following:

	Cases		Calls
Non-Communicable	289	with	2067
Office	36		57
New Baby	32		52
Prenatal and Postnatal	16		12
Health Service			
Adult	79	with	101
Infant and Preschool	111		113
Baby (Office)	16		18

There were 137 new and 295 repeat cases that were admitted to the nursing service and 45 new and 184 repeat cases under health service.

Thirty trips were made transporting patients to clinics, hospitals, and specialists.

Toxoid clinics in cooperation with the State Board of Health were held in September, October, November and December. Dr. Archie Grevior and Dr. Frank Robinson alternated as attending physicians at the clinics. Assistants were Mrs. Willa Downar R.N., Mrs. Margery Robert, Mrs. Lurline McCook R.N., Mrs. Mona Hill R.N., Mrs. Ruby Edwards, and Mrs. Lois Caveney. The last two clinics were poorly attended due to the many children having measles, mumps and whooping cough. A total of 90 toxoids and 12 vaccinations were given.

The district nurse appreciated the privilege of using the modern and conveniently located American Legion Hall for these clinics.

Mrs. Lurline McCook, R.N., substituted for the district nurse while she had her vacation.

The nurse assisted Mrs. Kay Hewitt, R.N., the school nurse, in buying, wrapping and distributing gifts to children of the towns of Tilton and Northfield at Christmas time. Money and gifts were generously given by the Rotary, Business and Professional Women's Club, the teachers of both schools and individuals.

About 30 were remembered by money or a Christmas dinner by the American Legion, Salvation Army, the Elks, Odd Fellows, the St. Anne's Society and the Church of the Assumption.

You are reminded that the nurse has office hours from 3 to 4 p.m. and is in the office 8:30 to 9 a.m. Office telephone number 241 and home number 228.

At this time please accept my sincere thanks for the cooperation, friendliness and sincere good will given me by the Doctors, District Nursing Board, and the citizens of Tilton and Northfield.

Respectfully submitted,

ALICE FRENCH, R.N.

**THE STATE OF NEW HAMPSHIRE
SCHOOL WARRANT**

*To the Inhabitants of the School district in the town of
Tilton-Northfield qualified to vote in district affairs:*

You are hereby notified to meet at the Tilton-Northfield High School in said district on the 12th day of March 1958, at eight o'clock in the afternoon, to act upon the following subjects:

1. To choose a Moderator for the coming year.
2. To choose a Clerk for the ensuing year.
3. To choose a Member of the School Board for the ensuing three years arising from the expiration of the term of office of Dorothy B. Buswell.
4. To choose a Treasurer for the ensuing year.
5. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agent of the district.
6. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.
7. To choose Agents, Auditors and Committees in relation to any subject embraced in this warrant.
8. To see what sum of money the district will raise and appropriate for the support of schools, for the salaries of school district officials and agents, and for the payment of statutory obligations of the district, and to authorize the application against said appropriation of such sums as are estimated to be received from the state foundation aid fund together with other income; the school board to certify to the selectmen the balance

between the estimated revenue and the appropriation, which balance is to be raised by taxes by the town.

9. To see if the school district will vote to hereafter use a check-list for the election of its officers, beginning with the 1959 annual district meeting, and will adopt as its school checklist the Town check-list, as provided in RSA 197:12a, as inserted by Laws of 1957, chapter 57.

10. To transact any other business which may legally come before this meeting.

Given under our hands at said Tilton-Northfield this third day of February 1958.

REPORT OF TILTON-NORTHFIELD SCHOOL BOARD

We have held several long meetings to discuss the 1958-59 school budget. We have postponed many items of equipment and renovations to future years in order to keep tax rate at the lowest point possible and still maintain the excellent school system that our towns have enjoyed.

We believe that we should continue the school lighting improvement program by the installation of modern lighting for the second floor of the high school and the gymnasium. The district has purchased the fixtures for the latter from the present budget.

Our proposed budget for 1958-59 shows practically the same amounts as last year with a few exceptions. The only real increase is for principals' and teachers' salaries, this amount being necessary for securing and retaining our best teachers and maintaining a salary schedule. Repairs and replacements have been reduced from \$16,715.00 to \$6,200.00. Reduction of state aid by approximately five thousand dollars increased the school tax rate.

The people of the two towns will be very pleased to have the playing surface of Veterans' Memorial Field completed and in use. The new backstop will probably last twenty-five years.

We used the funds provided by the people for the new oil burner, painting of six rooms, renovations of ceilings, painting the fire escape, new lighting for the first floor of the high school, hard surfacing, and minor improvements.

May we thank the Journal-Transcript for its excellent policy of developing the annual and permanent funds for the annual award of scholarships to pupils of Franklin and Tilton-Northfield. We thank all individuals who have contributed and the families who have authorized memorials for their departed loved ones.

We extend our appreciation for the funds contributed by the veterans, the clubs and organizations, and individuals for the completion of Veterans' Memorial Field. We thank all the individuals who contributed personal labor and time.

The appreciation of the district goes to the Special Committee of Mr. Brackett Hill, Chairman, Mr. Ernest Decato and Mr. Chester Davidson, who worked with the Board in the naming of the new school.

The Parent-Teacher Association and the Room Mothers have done outstanding work annually in making the schools better by their active support and co-operation.

We wish to express our appreciation to the organizations and individuals who have provided scholarships and prizes for our pupils, and those who have contributed special gifts during the year.

Our work is to establish policies for the schools that will continually improve them, and to spend economically and wisely the money provided by you. We have tried our best to see that every dollar receives a dollar return in value, and work to save money by competitive bids.

We are your chosen representatives to operate the schools for the best interests of the children and the community. We welcome your constructive suggestions at any time for mutual school advancement.

Respectfully submitted,

Charles F. Dwinal, Chm.

VETERANS' MEMORIAL ATHLETIC FIELD

More than three years ago a project was started to build an athletic field in the area directly behind the high school. A group of interested persons investigated means of raising money with which to complete the project and found that funds which had been set aside for a "Welcome Home" to returning veterans were available. Various organizations, which had contributed, were contacted and all agreed to use this fund for the completion of the project in conjunction with funds available from the school district.

Work was begun and time, materials, equipment and construction skill was generously contributed by many companies, organizations, and individuals and the project was completed last fall, producing one of the best athletic fields in this section of the state.

The field was dedicated during the past year and given the name "Tilton-Northfield Veterans' Memorial Field" in memory of our service men.

Because of the large number of individuals, companies and organizations who have contributed greatly to this project, it is impossible to thank each individually but I wish to extend my appreciation to everyone who in any way contributed to the completion of this worthwhile project. From this generous response we now have facilities for our programs of physical education and athletics in our schools and a place for public use by our townspeople.

CHARLES F. DWINAL,

Chairman
Veterans' Memorial Field Committee

REPORT OF SUPERINTENDENT OF SCHOOLS

To the Members of the School Board:

The Tilton-Northfield School Board took the following actions during the past year to improve the schools:

1. Restored general shop to the school curriculum for Grades 7-12 inclusive by securing a qualified teacher.
2. Supported Polio Clinics for elementary and high school pupils through cooperation of Dr. Archie Grevior and Dr. Frank Robinson.
3. Sponsored Tuberculosis Patch Test Clinic, with 423 elementary and 275 high school pupils taking the tests.
4. Authorized Pre-School Clinic for first grade children, held at Legion headquarters through the cooperation of American Legion Post No. 49.
5. Dedicated Veterans' Memorial Field on May 17, with ceremonies in charge of Mr. Charles Dwinal, General Chairman of all local organizations supporting the project.
6. Filled the eight elementary teaching vacancies with experienced personnel, including one man to direct the playground at the elementary schools.
7. Operated a summer playground program at the Union School, directed by Miss Barbara Wheaton and assisted in the mornings by George Bridges and Irene Plourde.
8. Sent Mr. Thardix Pisczek and Mr. Edward Florence, High School custodians, to school custodian workshop at Keene.
9. Unanimously voted with special committee of Brackett Hill, Chairman, Mr. Ernest Decato and Mr. Chester Davidson to name the new elementary

school the Channing T. Sanborn School, in honor of a former highly-esteemed Superintendent of Schools.

10. Installed an oil burner and 6600-gallon oil tank at the high school, enabling the district to avoid the costs of additional custodian help and providing more sanitary conditions, painted gymnasium entrance.
11. Additional hard surface at the back of the Union School and the front of the Sanborn School to improve the playground.
12. Purchased a new mimeograph and five new typewriters for the high school commercial department.
13. Renovated cement steps at the high school and the Union School, had plastering repaired, painted eight classrooms, renovated old ceilings at the Union School, painted fire escape.
14. Purchased 30 pupil desks and chairs for the high school and 40 desks and chairs for the elementary school.
15. Installed modern excellent lighting for the entire first floor of the high school, and purchased for future installation modern lighting for the high school gymnasium.
16. Approved Art Workshop for elementary teachers and Guidance Workshop for high school teachers in cooperation with four other towns of Supervisory Union No. 59.
17. Approved Music Appreciation Course and Contemporary World Affairs extension courses from Plymouth Teachers College.
18. Continued Saturday morning recreation program for grammar school boys, under the direction of Mr. Richard Hamilton, Physical Education Director.

19. Approved the much-needed Debating Team at Tilton-Northfield High School, with the school receiving unexpected honors at the University of Vermont, Concord, and the University of New Hampshire through the excellent work of Mr. Charles Lane, English teacher.
20. Adopted a program for better library facilities at the high school, with a school for Library science under the direction of Mr. Charles Lane.
21. Continued the policy of bids for school equipment, fuel, renovations, and supplies.
22. Supported best-attended Open House for all schools during American Education week.
23. Continued Driver Training Instruction for high school pupils with a Plymouth car from the Piper Motor Co., Franklin, under the direction of Mr. William Powers.
24. Cooperated with the Sanbornton School District by accepting their Grades 7 and 8 pupils while their new addition is under construction.
25. Authorized local churches to use classrooms for instruction during the summer vacation.
26. Adopted a high school curriculum that provided six years of science, six years of mathematics, six years of English, six years of history, six years of home economics, six years of shop, four years of commerce, four years of agriculture.
27. Approved weekend Hiking and Mountain Climbing organization for high school pupils, under direction of Mr. Charles Lane.
28. Adopted new salary schedule for Tilton-Northfield teachers, with purposes of retaining good teachers, securing excellent replacements when necessary, and rewarding teachers for outstanding teaching and extra curricular or special duties.

29. Purchased two large commercial stoves for school lunch program.
30. Improved home economics department by transferring two stoves from school lunch and accepting gift of new stove from Public Service Company.

Balanced Budget

The school district completed the 1956-57 school year with a balanced budget and all bills paid, and a \$6,-839.12 surplus which was used to reduce the 1957 tax rate.

Competitive Bids

The policy of competitive bids was continued, with great savings to the taxpayers for school supplies, oil, renovations, and equipment.

Appreciation

May I express my appreciation to the members of the School Board, Selectmen, principals, helping teacher, teachers, office workers, custodians, bus operators, cafeteria workers, playground workers, and the Parent-Teacher Association for all their cooperation and assistance during the past year. The joint-community of Tilton and Northfield have backed the schools and the School Board. It is apparent that the people want the best schools for their children and will support every effort to improve the schools, as needed, to maintain democracy and our system of American freedom.

Cordially yours,

GORDON L. FOX,
Supt. of Schools
